Wish List Items

Gift cards to Michaels, Walmart, and/or Dollar Tree

Instead of giving you a list of items to go out and purchase and bring to school, we thought it would be easier on you ask for a gift card. This allows us the freedom to purchase the items that we need and the brands we like. This also allows us to buy items throughout the school year instead of getting everything at once and having to store it.

We will supply everything your child needs to start the year including an everyday folder. Your child will need a backpack to go to and from school each day.

Thank You so much for your help making kindergarten a healthy and functional environment.
